

PANZA Membership Renewal – 1 April 2022 – 31 March 2023

Annual Declaration

The intention of this document is to encourage active reflection on the growth and development that takes place within supervision relationships for all PANZA clinical members.

Points for focus

Please review the following with your supervisor with the intention of taking action where appropriate:

- Professional development activities undertaken in the year 2021 – 2022
- Professional development planning for the year 2022 – 2023
- Frequency of supervision sessions in relation to client load
- Anticipation of the need for supplementary supervision* during the year 2022 -2023
- Disclosure of any formal or informal complaints or criminal charges within the last 12 months

Affirmation

We have discussed the above points of focus and made respective commitments to appropriate action. We have each filed a copy of this declaration in our records.
